

FNSC AGM

The Fareham Nomads AGM will take place on Wednesday 20th November at 7.30 at the Lyssess Hotel. Training that night is cancelled. This is YOUR Club. Please attend to find out what has happened over the year. Come and ask questions of the Committee. Hear who has won the awards that night.

Club Night

Club night is back! This will usually be the last Friday of the month at FLC from 19:30. All Squads from Skills upwards are invited. The first one will be Friday 29th November. The session will be taken by Head Coach, Stewart Crowe with assistance from the Volunteer Coaches. It will be a fun, informative and a hard working session.

Fareham Nomads 100 Club

Fareham Nomads is a swimming Club that focuses on teaching the swimmers how to swim, and then to train and take this ability to higher more competitive levels. However we also want to be a Club that has fun. And so we try and have a social side as well. Part of this is the 100 Club – it is a bit like the Lottery. There is a monthly draw from one hundred numbers for a prize of £25 (£100 in December). For this you buy a number for £1 for each month you have the number entered onto the draw.

The proceeds from this support social events for the Club, such as the recent Halloween Awards evening.

The last two draws had no winner. You could have had that number. Help support the Club and continue to enjoy the social events from 100 Club.

Are we after more money? Yes! but the benefits are more free social events, plus the chance of a cheque for £25, all for £12 per year. See attached flyer.

Forth Coming Events

Peter Bull – Level 3 meet for our younger swimmers on 30th Nov/1 Dec. Entries now closed.

FNSC Winter Meet – Our own new winter meet on 26th January. Ask your coach for forms.

Hampshire County Championships – March 2014. Times on FNSC website. Qualify NOW.

December Closure of WHP

As you should now be aware WHP is closing from 7 December for essential maintenance. This should finish early in the New Year.

Please watch the website and email regarding alternative training arrangements.
