Picking Swimmers Up

Another reminder to all parents to ensure they arrive to pick their children up prior to the scheduled end of the session. There are a few parents not arriving until well past the end of the session, should this continue I will raise this with the individual parents requesting them to remain at the pool for the duration of the session to allow their child to swim.

Team Unify

All should have now received an email to verify their email in order to use Team Unify, our new online management system. This is for every member of the club from including LTS and Squads. At present 79% of the club have verified their email address and we have 25 members who have downloaded the OnDeck App to their phone and/or tablet.

All registers are now being taken using this so all parents and swimmers can track this with Online or Via the OnDeck app. Many meet results have been loaded with more being added so we should soon have all historical time data easily accessible to all.

Club Nights

Reminder to please see schedule for Club nights for the rest of the 2016/17 season. This includes altered training over the remaining 2 weekends of County Championships.

Hampshire County Championships 2017 (28/29th Jan + 4/5th Feb + 11/12th Feb)

A great start to weekend 1. Well done to Charlie Holyer, competing in his first Championships on becoming Hampshire County Champion in the 12yrs 400 & 1500 Freestyle, as well as picking up Bronze in the 400 IM. Silver medals were also picked up by the Girls 10-12yrs 4x50 FC team of Amelia Boyes, Emily Blake, Maddie Smith, and Ellen Jewell as well as the Men's Open 4x200 Freestyle team of Dan Alberts, Clive Marquis, Matt Sullivan, and Chris Finch. Matt Sullivan rounded off the weekend 1 medal haul with Bronze in the 15yrs 1500m Freestyle.

Well done to all who represented the club in relay events where the vast majority swam up to better the teams short course entry time despite swimming the events long course. Impressively every single individual swim was also a Long Course PB so well done to our individual swimmers also.

Best of luck to our Age Group swimmers (10-14yrs) for this weekends Championships, keep the ball rolling.

[FNSC Results Here](http://fnsc.wikidot.com/competitions:results-open-meets) <http://fnsc.wikidot.com/competitions:results-open-meets>

(These will also be added to Team Unify for all to access online and via the OnDeck app as soon as we have the results file from the meet organiser)
