### **West Hill Park**

The club is aware of the various concerns around the poolside which have been raised with the schools site management team.

### **Learn to Swim**

Welcome back to all in Learn to Swim. Also welcome to the many new swimmers who have joined.

We would like to Welcome Aaron Crockford to the teaching team in the Small pool. Aaron in fact learnt to swim with Nomads many years ago and is keen to help the Nomads of the future develop in their initial steps into learning to swim.

### **FNSC Last Chance Meet (Saturday 7th January)**

Thank you to our army of volunteer helpers and officials without whom we could not have run such a successful meet. It was a long day with lots of swimmers but there was super feedback from many of the clubs who attended. Nomads have a super reputation when it comes to organising and hosting open meets so it is great to continue this success.

### **Littlehampton Splash Into 2017 Open Meet**

Well done to our small team who competed at this meet. For many this was their first time competing in an open meet and hopefully lots was learnt to aid their longer-term development. It was particularly pleasing to hear that the meet organisers specifically singled out our swimmers for their politeness and super behavior in the whipping area.
