STEADY AS SHE GOES: Lee-on-the-Solent's 17-year-old medallist Chloe Barr

Chloe on course for Euro championship

DELIGHTED Chloe Barr, from Lee-on-Solent has won bronze at the RYA Youth National Championships in the Welsh National Sailing Academy's Laser Radial class.

She was also selected to represent Great Britain on an international stage at the EUROSAF Youth Sailing, European Championships to be held in Neusiedl am See, Austria, from August 15-21.

A full schedule of racing took place at Plas Heli over five days from April 2-8, with more than 300 UK sailors competing in the premier event on the youth calendar.

For some, it may yet provide a springboard into a future Olympic campaign.

And the 17-year-old, unable to catch Ellie Cumpsty and Clementine Thompson who finished first and second respectively, said: "I ended

third overall, quite close to second as Clemmie suffered quite badly.

"It feels quite good, I was aiming to beat some of the older people but I didn't quite manage it as they are quite quick.

"Hopefully the competition at the EUROSAFs will be interesting and the racing will be quite tough and challenging, I don't know if I am going to win a medal but I will give it my best try."

The EUROSAF Youth Sailing, European Championships are open to competitors aged 19 and under. The event brings together the best youth sailors from across Europe to compete for EUROSAF Youth Sailing, European Champion glory. The RYA has currently selected a team of 18 sailors who will represent British Youth Sailing.

The Youth Nationals is regarded as one of the premier competitions

in the youth sailing calendar and the regatta has been a proven talent indicator for sailors who are likely to progress towards Olympic success. Previous winners of the competition include multiple Olympic gold medallists Ben Ainslie, Iain Percy and Sarah Aytton.

Tim Hall, the Team Leader, said: "I think we have a really strong team heading out to Austria with a lot of fresh faces.

"We are going to work with all of the team to create training plans in the build-up to the event so the sailors can perform to their potential. I think we have a good chance of medals in a lot of the classes and I'm really looking forward to working with them all over the next few months."
